MEMORANDUM FOR: CHIEF, TECHNICAL SERVICES STAFF

ATTENTION: Chief, TSS/MD

SUBJECT: Requirements for Rockets, Leaflets

REFERENCE: EE Memorandum to Chief, TSS/TO, dated  
25 February 1954, subject: Request for  
Customer Comments Concerning Proposed  
Leaflet Rocket (TSS Project No. MD-91)

1. Interested elements of this Division have discussed the proposed specifications of the Rocket, Leaflet, as outlined by you in recent conversations. These specifications, not previously available, indicate that there may be a use for this item were it available; however, the need does not presently exist to request development and manufacture for this Division's requirements alone.

2. A limited need for future requirements to the extent of possibly 500 units per year can be foreseen at this time. [REDACTED]

50X1  
50X1

3. It would be a pleasure to offer the services of the division branches both at headquarters [REDACTED] to test any prototype or production models and report the findings and impressions thereof to TSS should you so desire.

50X1

FOR THE CHIEF, EE:
